Coach Tours

The Museum of the Broads brings Broadland history alive through hands-on exhibits, historic boats and local stories. Take a river trip aboard electric launch *Marsh Harrier* (wheelchair accessible) or steamboat *Falcon*. The museum is accessible, dog-friendly with a café and shop – an ideal half day (1-3 hours) stop for coach tours.

What we offer for coach companies:

- Drop off/pick up on site and free parking for a coach at Richardson's boat yard (200m from the Museum).
- Exhibits, activities, film, and displays tell stories of the Broads from Roman times. Discover Broads characters, the local wildlife and iconic boats, marvel at tools used to work the landscape and build boats.
- Passenger boats offering 30-minute wildlife spotting cruises with commentary.
- Guided tours around the Museum
- A small café selling drinks, snacks, and confectionary.
- Large outside picnic area by the river.
- Shop selling souvenirs and Broads themed books and gifts.
- Accessible toilets.
- Free hot/cold drink and entry for coach driver

Our boats carry up to 12 passengers, so we suggest dividing visitors into groups and running boat trips and guided tours concurrently.

Museum entry: £8 per adult **30 mins boat trip: £7**
Coach Tour Combined ticket: £14 (advanced booking essential)
To include a guided tour when required. Free entry to shop and café

The museum is open from Easter to the end of October,
Tue-Sun (plus Bank Holidays) 10am – 4pm
Office open year-round for enquiries and bookings
