School Visits

Step out of the classroom and into the heart of Broadland's unique heritage. Through hands-on exhibits, historic boats and captivating local stories, the Museum of the Broads offers an unforgettable, immersive learning experience tailored specifically for schools.

What We Offer Your School:

- **Exclusive Museum Access:** Book on a Monday and your school will have the entire museum all to yourselves, creating a safe, focused environment for your pupils to explore
- **Wildlife-Spotting Boat trips:** Take learning onto the water aboard our passenger bats, where students can experience the Broads first-hand and spot local wildlife
- **Expert-Led Activities:** Out interactive class activities are led by dedicated volunteers – including retired teachers who know how to engage young minds
- **Tailored Introductory Talks:** For older students, we offer fascinating talks covering the museum's history, how the Broads were formed, and the area's rich ecology
- **Interactive Education Packs:** Keep pupils engaged from start to finish with activity sheets designed to guide their discoveries around the museum and out on the water

Making Your Visit Easy:

- **Free Teacher Pre-Visit:** Lead teachers are invited to visit us free of charge ahead of your trip to plan your itinerary and complete risk assessments
- **Free Teachers & Support Staff:** All adults in your group visit free of charge
- **Riverside Picnic Area:** Enjoy packed lunches in our spacious outdoor area
- **Gift Shop & Refreshments:** Pocket-money souvenirs and ice creams are available to purchase from our on-site shop
